|---|--|
|  Floodway |  Streets |
|  Floodplain |  City Limits |
|  No Base Flood Elevation |  Parcels |
|  Streams (DFIRM) |  Garner Lake |
| |  Loosahatchie River |

DISCLAIMER: Although the information presented on these maps has been compiled from many sources and is considered reliable, the City of Lakeland makes no warranties, either expressed or implied, concerning the accuracy, completeness, reliability, legality, or availability of this data for any use other than display. This disclaimer applies to both individual and aggregate use of the information. The City of Lakeland assumes no liability for the use or misuse of the information contained in these maps and all warranties of any kind, express or implied, including but not limited to the implied warranties of merchantability, fitness for a particular purpose, freedom from contamination by computer viruses and non-infringement of proprietary rights are disclaimed. Please contact the GIS Manager if you discover any discrepancies with this map.

FEMA Disclaimer: The hazard FIRM and DFIRM and the accompanying FISs are the official designation of SHAs and Base Flood Elevations (BFEs) for the NFIP. For the purposes of the NFIP, changes to the Flood risk information published by FEMA may only be performed by FEMA and through the mechanisms established in the NFIP regulations (44 CFR Parts 59.79). These digital data are provided in conjunction with the hazard FIRM and generally match the hazard map exactly. However, the hazard flood maps and flood profiles are the authoritative documents for the NFIP. Please contact FEMA if any discrepancies with this data are present.
