## SHELBY COUNTY HEALTH DEPARTMENT TO OFFER COVID-19 VACCINATIONS TO CHILDREN AGE 5 TO 11 YEARS OLD BEGINNING THURSDAY, NOVEMBER 4, 2021

SHELBY COUNTY, TN – The Centers for Disease Control and Prevention has approved the Pfizer-BioNTech pediatric COVID-19 vaccine for children age 5 to 11 years old.

Beginning **Thursday, November 4, 2021**, the Shelby County Health Department will begin providing vaccinations for children age 5-11 years old on a walk-in basis at its Immunization Clinic at 814 Jefferson Avenue. Hours of operation are 8:00 a.m. to 4:30 p.m.

Children must be accompanied by a parent or legal guardian with documentation of child's birth date (birth certificate or shot record is accepted).

The Immunization Clinic also offers Pfizer-BioNTech vaccines for children age 12-17 and adults 18 and older; Moderna vaccines for adults 18 and older; and Johnson and Johnson vaccines for adults 18 and older.

The Shelby County Health Department is one of many COVID-19 vaccination providers in Shelby County. To find a vaccination site near you, go to [Vaccines.gov](https://www.vaccines.gov) and enter your zip code.
